About

CENTER FOR ENFORCEMENT OF FAMILY SUPPORT

A private Law Firm

The Center, established over 35 years ago in 1979, is a private law firm that limits its practice to the enforcement of post-judgment debt, with a particular dedication toward collection of past-due child and spousal support and other marital obligations. In addition to utilizing common enforcement procedures such as bank levies and wage garnishments against mainstream debtors, the Center prides itself on pursuing debtors with creative lawyering and dogged persistence, using sophisticated remedies such as piercing corporate veils, stock turnover orders, set-asides of fraudulent transfers and extraordinary executions on such property as aircraft, boats and country club memberships.
